## A SPOTLIGHT ON THE MARKET

### Wall Street Money Machine, Volume 5: Free Stocks

By Wade Cook

#### How to Get the Market to Pay for Your Stocks—FREE!

*Free Stocks* will teach you how to capitalize on a little-known yet powerful strategy known as the Large Option Covered Calls™, or LOCC™. Wade Cook once again turns the stock market investment community on its collective ear with a strategy that generated 80% to 100% cash returns on some trades in the year 2000. Using volatility as a major factor, this is a lifestyle investing strategy designed for people who want to spend their time living, rather than sitting in front of a computer making deals all day. You'll learn to:

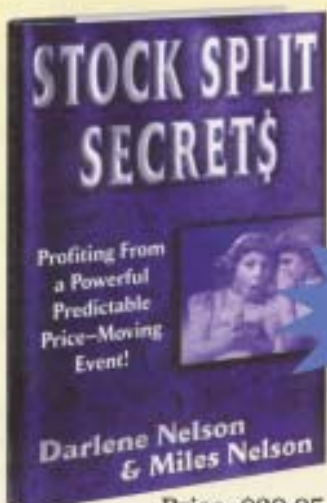

- Identify LOCC candidates.
- Write deep-in-the-money calls.
- Repair a deal gone sour.
- Buy back and roll out trades.

Now you can generate incredible returns on a biannual basis, even doubling some of your money inside of six months. Buy and read *Free Stocks* today and tailor your investing style to your lifestyle.

### Stock Split Secrets

By Darlene Nelson and Miles Nelson

#### Profiting From a Powerful, Predictable, Price-Moving Event!

*Stock Split Secrets* will teach you about the five powerful, predictable, price-moving phases that often occur when a company splits its stock, and how to use these events to make phenomenal money in the stock market! You'll learn:

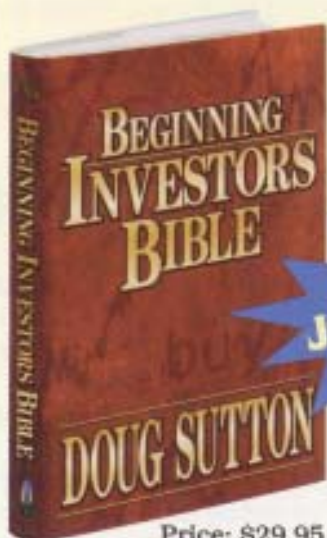

- What forces drive stock splits.
- Locating split candidates.
- Five separate strategies to play.
- What indicators to watch.

No matter what investing strategies you use now, or plan to use in the future, you can dramatically increase your wealth by playing stock splits properly. This book includes easy-to-understand explanations and charts that demystify the amazing potential for profit in stock splits.

### Beginning Investors Bible

By Doug "Safety" Sutton

#### Learn to Play Aggressive Strategies Conservatively and Conservative Strategies Aggressively

The roadside to riches in the stock market is littered with the bones of those who started their journey without a map and without protection. In addition to teaching the basics of trading in *Beginning Investors Bible*, Doug explains some of the most powerful strategies beginners can use, as well as techniques to intrigue intermediate traders. The book includes information on:

- How to create a game plan and mind set to build your wealth.
- Play naked puts and how to build credit and debit spreads.
- When and how to use straddles and strangles to safeguard your money.
- Where to set stop losses and how to formulate escape plans.

*Beginning Investors Bible* is a great place to start your journey into trading and financial freedom—safely.

# THE CASH FLOW MACHINE!

Now You Can Put Yourself Into The Market And Win With The *Wall Street Money Machine* Series

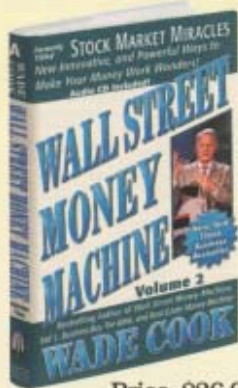

## Wall Street Money Machine, Volume 1

### Wade Cook Wants You Making Money

The *Wall Street Money Machine* Series uses revolutionary cash-flow strategies that target monthly checks into your pocket. Let *New York Times* business best-selling author Wade Cook introduce you to the Money Machine and the Meter Drop™ method of putting your money to work for you. Wade Cook's life is a "rags to riches" story. Although still a cab driver at heart, he shares his experience as a successful real estate investor and renowned stock market strategist. His dynamic, innovative, yet easy to implement methods will show you how to create wealth—how to build it, how to enhance it, how to protect it, and how to keep it growing.

*"If you'll do for two years what most people won't do, you'll be able to do for the rest of your life what most people can't do."* —Wade Cook

You work hard for your money. Buy and read *Wall Street Money Machine, Volume 1* and get your money working hard for you!

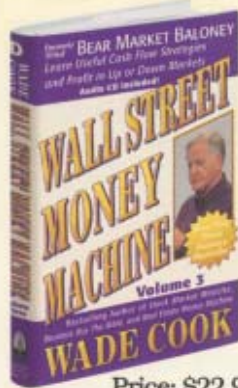

## Wall Street Money Machine, Volume 2: Stock Market Miracles

### Miracles Can Happen To You!

The key to successful trading is to treat it like a business, doing many small deals in rapid succession rather than just buying and holding. *Volume 2* of the *Wall Street Money Machine* series provides tried-and-true techniques that can increase your cash flow.

*"I found this [information] extremely beneficial. I am a financial planner who works primarily in mutual funds and life insurance. Any financial professional who criticizes Wade's strategies is simply speaking out of ignorance. My practice with my clients will undoubtedly change in the future because of the results I personally have experienced."* —Christopher M., OH

Wade practices what he preaches BEFORE he preaches it. Each strategy in his books is a proven money maker, not just for Wade, but for many of his students. Get the *Wall Street Money Machine, Volume 2: Stock Market Miracles* and start creating your own miracles!

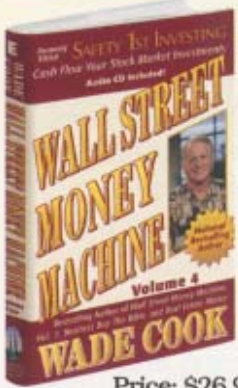

## Wall Street Money Machine, Volume 3: Bulls & Bears

### Play The Market At Hand

*Wall Street Money Machine, Volume 3: Bulls & Bears* is dedicated to the concept of a bear market—not how to avoid one, but how to make money when the market is going down! This book teaches you how to take advantage of the valleys and peaks that constantly occur. Learn how to better participate in the market by being a better observer: both as a student and as a trader. Learn how you can prosper in the coming years even when the market turns down.

*"A stock is doing one of three things: it is going up, going down or going sideways. There are strategies for every opportunity. Play the market at hand."* —Wade Cook

You can use any sort of market to increase your bottom line. Buy and read *Wall Street Money Machine, Volume 3: Bulls & Bears* and learn how.

## Wall Street Money Machine, Volume 4: Safety 1st Investing

### Keep Your Money Out Of Danger

Want to maximize your returns while minimizing your risk? For most investors, safe investing means low returns. Safety in real estate, safety in business and safety in the stock market must have as a core objective the preservation of capital, but even before we increase our assets, we must figure out how not to lose value. Simply put, the first strategy in winning is to not lose.

*"I hate losing money! My strategies for making money are designed to stop any cash flow drains or any reduction in asset value. A lot of what I do is defensive in nature."* —Wade Cook

Wade Cooks wants you to get your money out of the way of danger and get it in the way of cash flow. He teaches you step-by-step effective and time-tested methods of safely increasing your wealth. *Wall Street Money Machine, Volume 4: Safety 1st Investing* will put safety into your formula for success.

"Wow! [Stock Split Secrets] is a must read! The Nelsons reveal their personal experience in achieving financial success using stock splits. This hands-on book may well be worth its weight in gold. I enjoyed seeing real world examples of their trades; it makes the strategies believable. Their stop-loss applications alone made this a valuable book. This is a well-thought out book, organized for the beginner and the quick learner who wants to know the secrets."
